# Decline to Pursue Initiative
# July 25, 2011

By: Joe Gertsch
Southwest Power Pool Regional Entity

# NERC Decline to Pursue Initiative

- **Reduce or eliminate processing of violations of minor significance**
- **Threshold Question: Is there something that can be gained by processing this violation?**
- **Discretion for Compliance and Enforcement.**
- **Considerations for use under development.**
- **Includes expanded use of spreadsheet NOP for filing minor violations at FERC.**
- **Planned filing with FERC in September.**

# Questions?
