Announcement: 30-Day Comment Period Opens March 29th, 2010 through April 28th, 2010 for 3rd Draft

The Southwest Power Pool (SPP) Automatic Underfrequency Load Shedding Program (PRC-006-SPP-01) Standard has been posted on the Southwest Power Pool Regional Standards Under Development website for the 30-day Comment Period beginning March 29th, 2010 and ending April 28th, 2010 for the 3rd Draft. Please use the posted comment form to submit comments on the draft standard and email them to SPP_UFLS_Standard@spp.org when complete.

SPP Standard Drafting Team would also like to share their response to the comments received on Draft 2 of this standard. To view the Responses to the 2nd Draft Comments use this link Response to 2nd Draft Comments.

We thank you for your participation in the Southwest Power Pool Standards process. If you have any questions, please contact Mak Nagle mnagle@spp.org or Jason Speer jspeer@spp.org.
