Notice

Southwest Power Pool Regional Standard Ballot Registration

Title: Southwest Power Pool (SPP) Automatic Underfrequency Load Shedding

Number: PRC-006-SPP-01

Purpose: To develop, coordinate and document requirements for automatic underfrequency load shedding (UFLS) programs to arrest declining frequency and assist recovery of frequency following underfrequency events.

Draft 5 of the Southwest Power Pool (SPP) Automatic Underfrequency Load Shedding regional standard (PRC-006-SPP-01), which was posted on the SPP website today (January 18, 2011), is being submitted for vote. The purpose of the standard is to develop, coordinate and document requirements for automatic underfrequency load shedding (UFLS) programs to arrest declining frequency and assist recovery of frequency following underfrequency events. (view Draft 5 of SPP Regional UFLS and other relevant documents including, implementation plan, supporting technical documentation, and summary of comments)

Any entity or individual that qualifies for at least one of the five voting segments (Transmission, Generation, Marketer/Broker, Distribution/Load Serving Entity, End User and Public Interest) and is registered with the SPP as a UFLS Regional Standard Ballot Body participant may vote on the proposed SPP UFLS regional standard. Membership in SPP is not a requirement for registration. However, each proposed standard has its own registered ballot body.

Registering for the Ballot Body

The window for entities and individuals to register for the SPP UFLS Regional Standard Ballot Body is January 18, 2011 through February 2, 2011 at 5:00 pm (CST).

Interested entities or individuals may register for the SPP UFLS Regional Standard Ballot Body by completing and submitting an online SPP UFLS Regional Standard Ballot Body Registration Form. Only one registration per entity or individual is allowed, and an entity or individual may register for only one of the five segments (Transmission, Generation, Marketer/Broker, Distribution/Load Serving Entity, End User and Public Interest).

[Click to register for the SPP UFLS Regional Standard Ballot Body]

Only entities and individuals who submit a completed online SPP UFLS Regional Standard Ballot Body Registration Form by February 2, 2011 are eligible to vote on the proposed SPP UFLS Regional Standard.

For additional information regarding the SPP regional standard registration procedures, please see the SPP Regional Entity Standards Develop Process Manual.
**Voting on SPP UFLS Regional Standard**

Voting on the SPP UFLS Regional Standard will be conducted online during the 15-day period February 3, 2011 through February 17, 2011. Specifically, on February 3, 2011, the link to the online SPP UFLS Regional Standard Voting Segment Ballot will be emailed to all SPP UFLS Regional Standard Ballot Body participants, i.e., entities and individuals who submitted a completed online SPP UFLS Regional Standard Ballot Body Registration Form by the registration deadline.

**Ballot body participants must complete and submit their online SPP UFLS Regional Standard Voting Ballot by no later than February 17, 2011.**

For additional information regarding the SPP regional standard voting procedures, please see the [SPP Regional Entity Standards Develop Process Manual](#).

Questions regarding the SPP UFLS Regional Standard should be directed to David Kelly, Manager SPP Engineering Administration. Questions regarding ballot body registration and/or voting should be directed to Alice Wright, Manager SPP Regional Entity Finance and Process Improvement.

Your interest and participation in the SPP standard development process is both valued and appreciated.
