Attention OATI Training Participants:

If you plan to attend training and would like to follow along (hands on), you must have a User Name and Password linked to a valid digital certificate (issued by OATI) in the DEMO webOASIS system (https://demo.oatioasis.com). While hands-on is not a training requirement, it would be beneficial.

If you do not have access to OATI's webOASIS system, please contact the OATI Help desk at 763-201-2020 for assistance. If you are not sure what your username or password is on the DEMO system, the OATI Help Desk can assist you.
