Docket No. ER10-1069-000

NOTICE OF EXTENSION OF TIME

(May 4, 2010)

On April 26, 2010, the Nebraska Public Power District (NPPD) filed a motion for an extension of time to file comments on Southwest Power Pool, Inc.'s (SPP) proposed revisions to its open access tariff filed April 19, 2010, in the above-referenced proceeding and as provided for in the Commission's Combined Notice of Filing issued April 20, 2010, in this docket. The motion states that because of the complex nature of SPP's proposed tariff revisions and the potential impact of the filing, additional time is needed to submit responsive comments. On April 28, 2010, April 29, 2010 and May 3, 2010, SPP, the Oklahoma Corporation Commission and the Kansas Corporation Commission filed respective answers opposing NPPD's request for additional time. Also on April 30, 2010, East Texas Electric Cooperative, Inc., Northeast Texas Electric Cooperative, Inc., and Tex-La Electric Cooperative of Texas, Inc. filed joint comments supporting NPPD's requested extension and on May 3, 2010, the Empire District Electric Company, Omaha Public Power District, Lincoln Electric System and City Utilities of Springfield, Missouri filed a joint answer supporting NPPD's requested extension.

Upon consideration, notice is hereby given that an extension of time for filing comments on SPP's proposed tariff revisions is granted to and including May 17, 2010.
