Attestation:

I, ________________________, a duly authorized representative of ________________________ (“Attestor”), understanding that Transmission Provider is relying on this attestation as evidence of Qualifying Facility status, declare and certify that ________________________ (“Market Registered Resource”) is a generating facility that meets the requirements for Qualifying Facility status under the Public Utility Regulatory Policies Act of 1978 (“PURPA”) and part 292 of the Commission’s Regulations (18 C.F.R. Part 292), and that has obtained certification of its Qualifying Facility status.

The above statements are true and correct to the best of my knowledge, and based on my duly diligent inquiry.

Transmission Provider may disclose this Attestation to others, including the host utility, legislative bodies, public utility commissions and other regulatory bodies having jurisdiction over Market Participant, to substantiate and verify the accuracy of this declaration and certification to Transmission Provider of the Market Registered Resource’s Qualifying Facility status.
