Reference: Notices of Cancellation

Dear Ms. Kentner:

On December 4, 2013, as amended on January 23, 2014, Southwest Power Pool, Inc. (SPP) filed Notices of Cancellation of certain service agreements. SPP states it incorrectly filed the service agreements in its eTariff system and as a result, it did not supersede the service agreements in eTariff. Pursuant to authority delegated to the Director, Division of Electric Power Regulation – Central, under 18 C.F.R. § 375.307, notice that the service agreements are cancelled is accepted to be effective on the termination dates listed in Table 1 – Index of Service Agreements of the transmittal letters submitted on January 23, 2014.

Notices of the filing were issued with comments, protests, or interventions due on or before December 26, 2013. Under 18 C.F.R § 385.210, interventions are timely if made within the time prescribed by the Secretary. Under 18 C.F.R. § 385.214, the filing of a timely motion to intervene makes the movant a party to the proceeding, if no answer in opposition is filed within fifteen days. The filing of a timely notice of intervention makes a State Commission a party to the proceeding. No adverse comments were filed.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as

recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against any of the applicant(s).

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Penny S. Murrell, Director
Division of Electric Power
Regulation - Central
