Effort to transition from SPP Criteria

- **ORWG, TWG, and CWG creating 3 new documents similar to MWG's Market Protocols**
 - **ORWG – Operating Protocols**
 - **TWG – Planning Protocols**
 - **CWG – Data Exchange Protocols**
- **Criteria Review done in 2012-13 used to populate the “new” documents**
 - **Existing Criteria language copy/pasted into new doc**

Effort to transition from SPP Criteria

- **What to do with Compliance evidence?**
 - Many requirements satisfied with pointing to SPP Criteria language
 - Evidence will need to be updated to point to the new “Protocol” language
- **Create a mapping between old Criteria section to new Protocol section**

Work Plan

- **MOPC updated in October**
- **RCWG involved**
- **Staff Secretaries updating Revision Request Process**
- **“RR Process” to go live in January 2015**
- **Transition from Criteria to “new” docs**
- **No transition until evidence/mappings completed**
