

## 2015 ITP10 Updated Consolidated Portfolio Project List and IDEV files posted

The updated 2015 ITP10 consolidated portfolio project listing, as well as IDEV files, have been posted to [TrueShare](#). The updated material reflects portfolio changes due to the common needs assessment as approved by ESWG and TWG on [October 29, 2014](#). Specifically, a new tab was added to the project listing spreadsheet to identify in-service dates for those projects being recommended for SPP Board approval. In addition, per stakeholder request, congestion impacts of the consolidated portfolio in each future have been posted as well.

These items will be discussed in the upcoming Transmission Working Group meeting on [November 18-19, 2014](#), and Economic Studies Working Group on [November 20, 2014](#), as well as other ITP-related items.

### Information for obtaining the 2015 ITP10 updated consolidated portfolio project list and IDEV files

In order to obtain access to these documents in TrueShare, stakeholders must provide SPP with a signed [confidentiality agreement](#). Instructions can be obtained by clicking on the link. Please submit these forms by email to [questions@spp.org](mailto:questions@spp.org). After the executed confidentiality agreement is received, an account will be created for the requester on TrueShare. An email with instructions for logging on will be sent to requester. For those that already have a TrueShare account, no additional action is necessary.

These files can be found on TrueShare under “Integrated Transmission Planning – Confidential and Protected Material and or Critical Energy Infrastructure Information-Do Not Release → 2015 ITP10” in the “[2015 ITP10 CP IDEVs and Project List](#)” folder.
