

Notice to Reinstate Notification to Construct

August 17, 2016

Mr. Clarence Suppes
Sunflower Electric Power Corp.
P.O. Box 170
Great Bend, KS 67530

RE: Suspension of Approved Reliability Network Upgrades

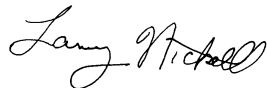

Dear Mr. Suppes,

Southwest Power Pool, Inc. ("SPP") issued Notification to Construct ("NTC") No. 200344 on August 13, 2015 directing Sunflower Electric Power Corp. ("SEPC"), as the Designated Transmission Owner ("DTO"), to construct the specified Network Upgrade(s). On November 11, 2015, SPP received SEPC's Commitment to Construct the transmission project(s) specified in NTC No. 200344. On May 27, 2016, SPP issued an NTC Suspension to SPS for the Network Upgrades associated with Project ID No. 30912.

Based upon the decision by the SPP Board of Directors on July 26, 2016, SPP reinstates NTC No. 200344 for Project ID No. 30912. All terms and conditions of NTC No. 200344 are in effect.

Please do not hesitate to contact me if you have questions or comments.

Sincerely,

A handwritten signature in black ink that reads "Lanny Nickell".
