

Updated Detailed Project Proposal (DPP) Submittal Form and Instructions Posted

The DPP Submittal Form and Instruction document have been updated and can be found here under the **Related Documents** section (lower right corner of the page):

<https://www.spp.org/engineering/transmission-planning/detailed-project-proposals/>

All DPPs must be submitted in the Excel version of the DPP Submittal Form (**version 6**) found on the [Detailed Project Proposals](#) page on the SPP website. **All DPP information, inasmuch as possible, should be included in the DPP Excel form and not referenced in a separate document (i.e., PDF report).** This will aid SPP staff in utilizing automation to extract the DPP information to expedite processes.
