- 5. **Transition Update**..... **Ron Ciesiel**
The transition has gone very well. By tomorrow we will have transferred all of our CMEP data to SERC, MRO, and NERC. We’ve transferred ~500,000 files, destroyed physical files over seven years old, and are destroying non-regulatory files.

Eleven staff are immediately moving from SPP RE to the RTO. Ron Ciesiel, Kevin Perry, Joe Gertsch, and Debbie Currie will remain on staff at SPP RE through August 31 to close out any remaining issues. Debbie Currie will then transfer to the RTO.

We are in excellent financial condition. We are underrunning our proposed transition budget and will be transferring remaining money to MRO and SERC. There will not be a separate independent audit of SPP RE. We will produce a 2Q unaudited report to NERC in July 2018, as we usually do. SPP, Inc. will include SPP RE information in its annual audit in early 2019.

The Trustees congratulated Sara Patrick on her appointment to CEO of MRO. Sara thanked SPP RE staff for their support in sharing knowledge and data.

By Monday morning, July 2, the Registered Entities’ data will be available in webCDMS under their new RE.

- 6. **2018 Goals & Metrics****Ron Ciesiel/SPP RE Trustees**
We adjusted our annual metrics process to a six-month metrics dashboard ending on June 30. Staff performance was very good overall. A staff quality control team reviewed our metrics performance and evidence showing the metrics were met. On a June 19 Trustee/staff call, the Trustees approved

metrics performance at 138.4%. The Trustees publically approved the 2018 goals & metrics results and performance pay awards.

7. Motion to Cease CMEP Activities.....Ron Ciesiel/SPP RE Trustees

The Trustees approved a motion that SPP RE will cease all Compliance Monitoring and Enforcement activities at 5:00 p.m. CDT on June 29, 2018. Steve Whitley suggested we send a memo to the CEOs of SERC, MRO, and NERC advising them of this vote.

8. Closing RemarksRon Ciesiel / RE Trustees

Ron Ciesiel thanked everyone for his 20 years at SPP and 11 years with SPP RE. Registered Entities really came around to supporting the CMEP program. He thanked the RE staff for their ethics and professionalism.

Trustee Whitley noted that SPP RE is ending on a very proud note. SPP RE was so professional with its work and did a wonderful job with outreach.

Trustee Maher said he appreciated SPP RE's outreach and the maturity of the organization. He acknowledged the disturbance caused by shutting down an organization and appreciates employees' hard work in the transition process.

Trustee Christiano noted that he and Ron are the only remaining original members of SPP RE. Dave remembered John Meyer's and Gerry Burrows' contributions to SPP RE.

The meeting was adjourned at 2:52 p.m.
