

# MARKET - BILATERAL SCHEDULES APPROVALS / END CONTRACT

## USER INTERFACE

The following error is expected for successful connections to the Production SMS. Any other errors would indicate a different issue (e.g. user permissions issue, connectivity error, invalid XML, validation error).

## API

The following error is expected for successful connections to the Production SMS. Any other errors would indicate a different issue (e.g. user permissions issue, connectivity error, invalid XML, validation error).

```
<soap:Envelope xmlns:soap="http://schemas.xmlsoap.org/soap/envelope/">  
  <soap:Body>  
    <soap:Fault>
```

```
<faultcode>soap:Server</faultcode>  
<faultstring>BilateralError</faultstring>  
<detail>  
  <ns2:BilateralFault xmlns:ns2="http://api.spp.org/schema/BilateralSchedulesSchema/v2">  
    <ErrorCode>1039</ErrorCode>  
    <ErrorText>The Settlements Management System did not accept your submission. Please contact support.</ErrorText>  
  </ns2:BilateralFault>  
</detail>  
</soap:Fault>  
</soap:Body>  
</soap:Envelope>
```

## MARKET - METER DATA

---

### USER INTERFACE

The following error is expected for successful connections to the Production SMS. Any other errors would indicate a different issue (e.g. user permissions issue, connectivity error, invalid XML, validation error).

The screenshot shows a web application window titled "Meter Data Submittal" with an "External Application" icon in the top right corner. Below the title bar is a red header with the text "Upload Report". Underneath, there is a section titled "Failed Uploads" which contains a table with the following data:

Transaction ID	Filename	Status
a82e9a8f-160b-4a8c-bb62-013c7c549801	Silk572_PostMeterSoap.xml	FAILED

## File Details
