

2021 ITP Recommended Renewable Siting Plan

- **Action Required**

SPP staff requests that stakeholders review this recommended siting plan and provide feedback. A motion for a vote for approval via email will be solicited on September 18. This recommended renewable siting plan includes sites for the following technologies:

- Wind
- Utility solar
- Distributed solar

- **Entities Required to Provide Feedback:** All interested stakeholders

- **Due Date and Method of Submittal**

Please review and provide feedback by **Thursday, September 17, 2020** via the SPP Request Management System (**RMS**) under the “ITP-Data Submission” Quick Pick. A motion for approval via email will be requested from the ESGW on **Friday, September 18, 2020**.
