

2021 ITP Final Project List

- **Action Required**

SPP staff requests stakeholders review the updated final 2021 ITP project list which has been posted to [GlobalScape](#).

All Study Cost Estimates received by SPP have been incorporated into this posting of the final project list. Stakeholders should review the cost estimates and notify SPP if there are any impactful monetary differences. In addition, Stakeholders should review projects for feasibility and notify SPP if the posted project is not feasible to construct.

- **Entities Required to Provide Feedback:** All interested Stakeholders.

- **Opportunity to provide Feedback at December Working Group Meetings**

Feedback regarding the updated final project list should be expressed at the upcoming working group meetings, during which the final portfolio will be recommended for approval. The Transmission Working Group (TWG) will take place on Monday, December 6th and Tuesday, December 7th. The Economic Studies Working Group (ESWG) will take place on Wednesday, December 8th and Thursday, December 9th.

- **Changes from Last Pass:** Incorporated Stakeholder feedback. Added the Squaw Gap Capacitor Bank solution, which is marked as new. Study Cost Estimates reported may not represent the cost of all upgrades associated with the project.
